CHRISTMAS MEETING

The Christmas meeting and party will be held at the Forestville Memorial Hall on Wednesday, 7th December 2022, starting at 7.30pm (please note the earlier start). Members and their partners are invited to a sit-down two-course dinner at no cost to them. Make sure you have replied to Clover if you are coming as we need to organise the food. There will be a show bench but no sales table.

Plants can be brought in for benching from 6.30pm and judging will start at approximately 7.15pm. Please limit the number of plants you bring as there will only be restricted space available. Note that this is the first month of the 2023 annual point score competition. We will be holding a monster raffle and your donation to this will be most welcome. Please bring something that you yourself would be happy to win. Tickets will be \$1 each or 6 for \$5.

We will not be serving alcohol but some soft drinks and tea/coffee will be available. You are, however, welcome to bring your own drinks and nibbles.

DATES FOR YOUR DIARY

The first meeting of the New Year will be on Wednesday, 4th January 2023. There will not be a guest speaker this month, instead we will have our special culture classes with Nick Gill and Cary Polis who will be telling and showing us how they grow their orchids. Both are very experienced growers so this will give us some insight into how they both grow their orchids so well. We will all benefit from their knowledge and experience.
